FastWeb 101: Tips & Frequently Asked Questions

How Does FastWeb Work?

When you visit www.fastweb.com you can create a FREE Scholarship Search profile by entering a valid email address, password and answering a variety of questions about yourself!

All the information you provide is matched to our database of 1.3 million scholarships worth over \$3 billion dollars! In your Scholarship Results you will only see the scholarships you are eligible to apply for based upon your answers in the profile.

Beyond the Scholarship Search, FastWeb also provides a College Search, lists part-time jobs and internships in your area, features 'My FastWeb' (a Calendar to track scholarship deadlines), articles, newsletters, and email reminders for scholarships deadlines and new scholarships available.

FastWeb FAQs

Why are there so many questions in the profile?

The more information you complete provides more criteria to match your profile against 1.3 million scholarships in our database and find even more awards that are right for you!

Why should I answer the profile completely? Update my info?

A complete profile provides **significantly more** scholarship results, with awards that are tailored to the unique activities and interests you provide. A recent study of high school seniors found those who complete 15 or more optional questions (e.g., hobbies, career objectives, attributes, etc.) have **double** the awards in their results vs. students who answer only required questions.*

I'm looking for a specific scholarship - how do I find it?

Your scholarship results include all of the available scholarships you are eligible for based on the information you provide in the profile. Use the headings to sort scholarships by name, amount, deadline, or scholarship type.

Is FastWeb entirely free?

Yes! FastWeb's services are always free. You should never pay more than a postage stamp to apply for scholarships. Paying to apply for a scholarships can be a sign of a scam.

How can FastWeb offer its services for free?

Like many sites, FastWeb is supported through marketing partners which allow us to provide valuable services to students, parents and educators for free. FastWeb ensures all content is appropriate for students. Deciding to accept or decline offers from a marketing partners will not influence your scholarship results.

I've told you a lot about myself how does FastWeb protect that information?

Privacy is very important to us at FastWeb. We maintain a very strict privacy policy. To view our privacy policy, visit www.fastweb.com and click on "Your Privacy Rights."
