Student Teacher (Intern), 1/04 to 5/04

Hired as a full-time teacher following student teaching practicum, instructing all academic subject areas to classrooms of up to 28 1st, 2nd and 4th grade students. Left Sometown PSD (on excellent terms) at the end of the 2007 academic year to provide full-time care to cancer-stricken parent, and enthusiastically rehired as a substitute teacher for the current spring term.

Key Contributions:

- Earned high marks for the quality and creativity of classroom teaching, lesson plans and instructional materials used in teaching diverse subjects (e.g., language arts, mathematics, science, social studies and history).
- Developed innovative approaches that were repeatedly held up as the model standard for meeting district goals in areas including technology integration across the curriculum, experiential learning, literacy and diversity.
- Taught general education students as well as individuals with learning challenges and special needs within a mainstreamed, inclusive classroom.
- Consistently commended for ability to redirect students exhibiting behavior problems by replacing disruptive, unproductive patterns with positive behaviors. As a result, selected to lead district-wide in-service on classroom management.

Her enthusiasm for teaching and genuine caring for her students is only surpassed by her instructional talents and resourcefulness... she has my highest recommendation...” — R.
