Fastweb Highlights Scholarship Opportunities for Hispanic Students

Chicago, IL (September 16, 2014) – In commemoration of National Hispanic Heritage Month, Fastweb (www.fastweb.com), the leading website for scholarship and financial aid information and a member of the Monster Worldwide network, is shining the spotlight on scholarship opportunities for Hispanic students.

National Hispanic Heritage Month recognizes the contributions Hispanic Americans have made to American society and culture. Since 1988, it has been observed from September 15 through October 15 to celebrate the histories, cultures and contributions of Americans with ancestors that came from Spain, Mexico, the Caribbean and Central and South America. Additionally, it honors five of our Central American neighbors who celebrate their independence in September.

Fastweb's new online resource, [Scholarships for Hispanic and Latino Students](#), features a collection of outstanding scholarship programs for students of Hispanic heritage. Opportunities are available for existing college and graduate students, as well as students who are college-bound. Applications are now open for these key opportunities:
